

Agriculture, Food & Natural Resources

CAREER PATHWAYS

Enjoy working outdoors and/or working with animals? Careers in this pathway supply us with food products and alternative energies, preserve and protect our natural resources, and assure we have bountiful supplies of land to utilize in the future.

Source: Department of Economic Opportunity, Labor Market Statistics Center, Florida's Great Northwest, FLDOE, and CareerSource. Average Hourly Wage Rate and Education requirements are compiled from local employer surveys, the final education requirement and wage rate is the decision of the hiring employer
