

Construction Industry

CAREER PATHWAYS

At the end of the day, if you like to step back and really see what you've done. You may be perfect for a career in construction. Whether you are outdoors building the skyline, or inside adding the finishing touches to a project, a career in construction provides an opportunity to create, rejuvenate and develop new buildings and infrastructure.

Source: Department of Economic Opportunity, Labor Market Statistics Center, Florida's Great Northwest, FLDOE, and CareerSource. TRAINING PATHWAYS

FIRST

Middle and high school career exploration or career academy programs

TRAINING PROGRAMS

INSTITUTION/SCHOOL

Building Construction Academy

Jay High School

Construction Academy

Navarre High School

Engineering Academy

Navarre High School

AC, Refrigeration & Heating Technology
Electricity
Welding Technology

Locklin Technical College

NEXT

Certifications, technical programs or two-year degree programs

TRAINING PROGRAMS

INSTITUTION/SCHOOL

A.S. Architectural Design and Construction
Technology
Automotive Service Technology 2
Carpentry Certification
Electricity Certification
HVAC Certification

Pensacola State College

Air Conditioning, Refrigeration &
Heating Technology 1
Air Conditioning, Refrigeration &
Heating Technology 2
Apprenticeship - Air Conditioning, Refrigeration &
Heating Technology
Automotive Service Technology 1
Electrician
Electricity
Maintenance & Light Repair
Welding Technology

Locklin Technical College

LATER

Bachelor's, master's or doctoral programs

TRAINING PROGRAMS

INSTITUTION/SCHOOL

B.S. Electrical Engineering
B.S. Engineering Technology - Building Construction

Pensacola State College

This program is supported in part through a multi-year grant from the Gulf Power Foundation to the Consortium of Florida Education Foundations.
